# INTRODUCTION

## About us

Welcome to Twits Hardware Corporation, where quality meets innovation in architectural hardware. Established in 2004, Twits Hardware has grown into a trusted name in the industry, offering a diverse range of door, glass, and furniture hardware. Our brand stands for excellence, reflected in every product we create.

At Twits hardware, we believe in meticulous craftsmanship and cutting-edge design. Each piece of hardware is crafted with precision, using high-quality materials to ensure durability and aesthetic appeal. Our extensive product line includes innovative solutions tailored for modern architecture and interior design, ensuring functionality without compromising on style

Our commitment to customer satisfaction drives us to continually innovate and adapt. We understand that every project is unique, and our expert team is dedicated to providing personalized solutions and support. We take pride in our rigorous quality control processes, ensuring that each product meets the highest standards of excellence.

As we continue to expand, Twits hardware remains committed to sustainable practices, ensuring our products are not only innovative but also environmentally responsible. Our vision is to contribute to the creation of beautiful, functional spaces that inspire and endure. Thank you for choosing Twits Hardware We look forward to being a part of your architectural and design journey.

# WARDROBE SLIDING FITTINGS

**TSD-WD01**  
Wardrobe sliding wheel set  
(with soft close dampner 4 pcs)  
₹ 2810/Set

**Upper track**

**Lower track**

**TST-01**  
Top/Bottom track for TSD-WD01  
Available in 8' & 13'  
₹ 300/Feet

## Great functionality

- 2 way soft close for the top
- High-grade soft closing systems

## Superior performance

- Weight carrying capacity of 50 kg
- Rollers on top and bottom for more steady movement & better adjustment

## Sturdy

- Door thickness from 16 mm to 25mm

## Easy to install

- No grooving required to fit the tracks on to the cabinet
- No measurements required to install tracks and hardware
- Simple and intuitive parts for easy installation
- Quick and easy tool less adjustment and locking

## Durable

- Tested for 30,000 cycles

## Adaptable

- Height adjustment of up to 13 mm
- Track lengths available: 8' & 13'

## Great Aesthetics

- Super slim top track - only 14 mm height

**SOFT  
CLOSE**

# DRAWER BOX
