About us

For more than two decades, Twazo has been at the forefront of the architectural hardware industry, setting benchmarks in quality, innovation, and reliability. Established with a vision to transform the way spaces are built and experienced, we have consistently delivered products that merge strength with style and function with finesse. Our journey of 21 years has been defined by trust—trust from architects, interior designers, dealers, and homeowners who look to us for solutions that stand the test of time. From our beginnings in door and window hardware, we have grown into a brand known for its wide portfolio, uncompromising quality standards, and timely delivery. With this legacy, we proudly introduce our exclusive range of Slim Partition Profiles and Aluminium Profiles. Crafted with precision and designed for modern interiors, these profiles not only enhance aesthetics but also bring durability and seamless functionality to every project. Whether it's for residential, commercial, or premium architectural spaces, Twazo profiles embody elegance, efficiency, and enduring performance. At Twazo, we believe in more than just hardware—we believe in creating solutions that elevate spaces and inspire lifestyles. Guided by our motto, "Work Hard, Grow High," we continue to innovate, expand, and lead with the same passion that has defined us since day one.

Moving Walls Concept

An advanced partition system designed with slim aluminium profiles and glass panels, where all doors or partitions are movable—none are fixed. This flexible solution allows architects to create dynamic layouts, enabling spaces to open, close, or reconfigure as required. Engineered for precision and durability, the system combines structural stability with minimalistic aesthetics, making it ideal for modern commercial and residential projects.
